Each spring, BIRDscapes likes to celebrate original prints: linocuts, etchings, woodcuts, screenprints, mezzotints and more. This year the gallery will not only be displaying new work by its regulars, such as *Springwatch Avocets* by Robert Gillmor (the clue is in the title!). See over) but also the work of more artists than usual, as the exhibition will include the launch of the new *Artful Hare* by Norfolk publisher, *Mascot Media*. New-to-BIRDscapes printmakers keep coming forward for what promises to be a fantastic exhibition.

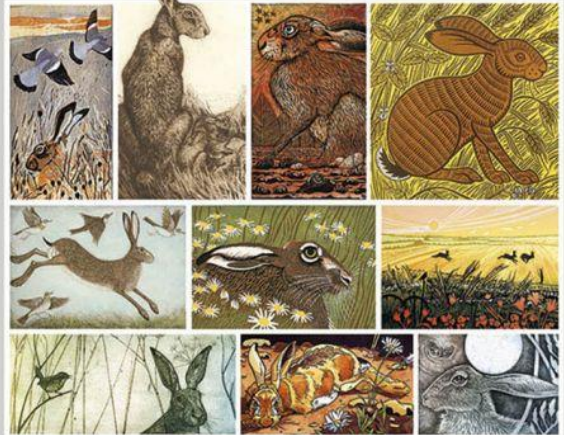

The BIRDscapes Gallery, Glandford, nr Holt NR25 7JP
