

We are pleased to invite you to our new exhibition:

# Printmakers' Wildlife

Saturday September 5th, 2020 from midday.  
The exhibition continues until Sunday Sept 27th

*Blossom* Etching by Phil Greenwood R.E.

A long-standing tradition of spring at BIRDscapes has been our annual celebration of the printmakers' art. As with so many things, this year is different, but the beauty of original prints and the imagination and technical skills behind them aren't. We do hope that you will come and enjoy a gallery full to the brim with the graphic, colourful delights of the printmakers' art.

We are only able to show here a few of the amazing and diverse prints that the 30 or so printmaker artists whom we work with have contributed.

Printmakers' Wildlife is one of our most popular exhibitions and we do hope that, despite the limitations imposed by Covid 19, you will be able to come and have your spirits lifted and enriched.
